My Testimony

I did not know that God's love can completely transform a person's heart and mind. I did not know that God's love does the impossible. I did not know that I was blind until I saw the face of God, and did not realize the extent of my thirst until I drank from His water.

I can just tell you that God has given me much more than I deserve or ever expected. He has chosen me, me who was so far from Him. He chose me to be His hands, to complete His work and to help build the Kingdom of God here on earth. I could never imagine my life without God. He is like the air I breathe and the reason of all I do! I found my treasure, where my heart is. I cannot walk away from it!

My prayer to God is to let His light shine through me, now and in the life to come. Amen.
